

FINANCIAL POLICY

Welcome to our dental office for children! We have prepared this Financial Policy so you may be fully informed. Your child's smile can last a lifetime and quality dental care is an investment in their future.

Payment in full is collected at the time of treatment. If you have dental insurance, your estimated co-payment is collected at the time of treatment.

We accept cash, checks and major credit cards. Care Credit is available for making payment plans, which can be interest free.

You will be given a detailed, written estimate for recommended treatment. A late charge of 1.5% per month, or a minimum late charge of \$10.00 will be added to unpaid balances over 30 days past due.

DENTAL INSURANCE

Patients with dental insurance must provide accurate and complete insurance information so we may assist you in filing your dental claims promptly. You will be required to pay your portion the day of treatment. **Remember, professional services are rendered and charged to the patient and not to the insurance company.**

Our fees are based on what is usual and customary for our area. You are responsible for payment regardless of your insurance company's determination of usual and customary rates. Non-covered services are your responsibility.

Even though you may have insurance claims pending, you will receive a statement each month for the outstanding balance, showing the status of your account. We cannot accept responsibility for your insurance paying us or for negotiating a disputed claim. Insurance reimbursement is a contract between you and your carrier. You are responsible for payment of your account within the usual limits of our credit policy. If your insurance does not pay within 60 days, we shall expect payment in full from you. Please remember, your co-payments are estimates only.

If you have any questions, we will, of course, assist you. Our highly trained staff is dedicated in assisting you with financial matters and maximizing your insurance benefits. Your eventual reimbursement will be determined by your insurance carrier. Thank you.
